

SMART Goals - Online

A Class in Economic Well-being

Instructed by: **Emitt Thrower**

Setting SMART goals is a simple but powerful way to begin working towards a brighter future, as opposed to simply reacting to the present.

S - Specific
M - Measurable
A - Attainable
R - Realistic
T - Time-bound

Zoom meeting - Thursday, January 21st, 3:00-5:00pm

We ask that you log on to Canvas and read through the course content before the Zoom call begins at 3pm.

Register on Eventbrite by visiting our website www.collegeofhope.org
Registration closes at midnight on Wednesday, January 20th, 2021
